This authority is to remain in full force and effect until Company and Bank have received written notification from me (or either of us) of its termination in such time and such manner as to afford Company and Bank a reasonable opportunity to act on it. I (We) have the right to stop payment of charge entries by notifying the Bank prior to the time the account has been charged. Any erroneous or incorrect charge will be corrected upon notification to the bank.

## HOW THE DPUA PLAN WORKS

- 1. Your account must have a zero balance before bank draft request will be processed. If you are submitting your request by mail, please include a voided check with this form.**
- 2. There will be a \$25.00 charge for any returned drafts.**
- 3. After you have opened an account for the DPUA Bank Plan, until "Paid by Bank Draft" appears on your monthly utility bill, your payment should be made to DPUA. If you are on the levelized (budget) billing plan, your utility bill will not show this.**
- 4. When you receive the first utility bill on which is printed "Paid by Bank Draft", you will know you are on the system. The charge shown will be entered into your banking or savings account ten (10) days prior to the due date shown on your monthly bill.**
- 5. To cancel your bank draft, please allow 30 days to process the request.**
- 6. Your final utility bill will not be paid by your bank draft. Please remit payment to DPUA.**
- 7. If you have any questions about your bill, contact your DPUA business office at 252-0250 .**
