

PROPERTY OWNERS AGREEMENT

****In the case that service is disconnected and there is usage I, the homeowner or manager of the locations listed below, agree to be responsible for any usage not billed to the tenant.**

Please list all properties below:

Service Addresses:

Service Addresses:

****Any additional address that won't fit on form please attach an additional sheet of paper with them listed.**

Please select **one** option for **connecting** or **reconnecting** services at above address:

_____ Fax, E-Mail, or Come In to connect/ reconnect/ disconnect service

_____ I want services **automatically reconnected** into homeowner or managers name when **tenant disconnects**.

**** In the event a customer is disconnected for non-pay or if the tenant does not come in to disconnect, the re-connect will not apply. Ultimately it is the responsibility of the homeowner to notify the City of Duncan of any changes in occupancy to ensure no interruptions of service.**

****Failure to pay bills in homeowner or managers name may result in a utility deposit being required each time you connect service.**

****New properties that are bought by homeowner or manager needs to have closing papers brought into City of Duncan to have copies on file and to add it to the homeowner or managers Property Owner file..**
